#### Activities and Recommendations

##### Chapter Business and Committee Activities:

Rich Chylinski, Chapter Chair kicked-off our New Year meeting by presenting the Chapter's Business Plan for 2012. The membership agreed to the goals as being realistic and attainable. Rich then took the liberty of providing an overview of the ASIS Code of Ethics. Copies of the 2012 Business Plan and the ASIS Code of Ethics were distributed to the membership in attendance. In other business news, Faraz Khandwala had resigned his post as Chapter Secretary and Webmaster due to personal reasons that required a relocation to California. Rich Chylinski graciously volunteered to assume the Secreterial and Webmaster responsibilities until a member in good standing could be appointed for these volunteer leadership positions. Also, it was announced that Dave Hurt, CPP and Vice Chair was awarded a scholarship to attend a PSP Certification Study Seminar in Colorado. Congratulations David! Lastly, members were reminded of our modified bi-monthly calendar which will post on the website along with this Chapter Activity Report.
